

# Beef-Lick

GET THE MINERAL  
SUPPLEMENT ADVANTAGE  
WITH AMS **Beef-Lick**  
MINERAL LICK FOR  
CALVES, REPLACEMENT  
HEIFERS, DRY COWS &  
LACTATING COWS

AMS **Beef-Lick** is a dry weather resistant loose mineral lick containing essential macro and micro minerals and vitamins for all ages of cattle, to prevent deficiencies of essential nutrients and build a stronger skeletal reserve (bone bank) to enhance overall performance and optimum health.

Feeding AMS **Beef-Lick** provides ad-lib availability to those animals that do not have access to good quality feed sources and provides necessary vitamins and minerals for sustaining development, growth and health. Animals deficient in vitamins and minerals can self-medicate and recover faster.

**SUPPLEMENTS**

*To Sustain Herd Health &  
Performance*

# What is AMS Beef-Lick

AMS **Beef-Lick** is a dry water-resistant formulation supplying essential macro and micro minerals and vitamins for young stock and dry cows, and lactating cows that are not fed a supplement throughout the season.

AMS **Beef-Lick** contains the macro minerals, Calcium, Phosphorus, Magnesium and Sodium to support the growth and development of calves and yearlings, and meets the gap in mineral nutrition for beef cows not on a supplementary feed program.

AMS **Beef-Lick** also contains the micro minerals Zinc, Copper, Cobalt, Selenium, Manganese, and Iodine and the Vitamins A, D and E as well as Biotin for hoof development and strength.

## What are the benefits of using AMS **Beef-Lick**

- Supports the growth and development of calves and yearlings
- Supplements mineral nutrition for cows not on supplements
- Assists with hoof development and strength
- Enhances skeletal development and body condition in replacement heifers

### **Beef-Lick** Mineral Lick - FOR ANIMAL USE ONLY

- Store in cool, dry place out of direct sunlight.
- This product does not contain restricted animal material

## Directions for Use

AMS **Beef-Lick** Mineral Lick should be offered to all stock in free draining open troughs. It is designed for a daily intake of 80-100 grams/head. In showery or wet weather troughs should be checked daily. Initially additional salt may be added to AMS **Beef-Lick** to prevent intakes exceeding 100 grams per head/day.

AMS **Beef-Lick** is Available in 20 kg bags

## Nutritional Analysis (per 100grams)

Ingredient	Level	
Calcium	Min%	15
Phosphorus	Min%	3
Magnesium	Min%	6.5
Salt	Min%	20
Vitamin A	IU	50000
Vitamin D	IU	12000
Vitamin E	mg	50
Cobalt	mg	25
Iodine	mg	20
Manganese (organic)	mg	80
Selenium	mg	6
Zinc (organic)	mg	275
Copper (organic)	mg	100
Biotin	mg	5
